Terms of sale

PROPERTY:

Software title, copyrights, accompanying materials and any copy made by the user are Render Image S.r.l. property. Unauthorized duplication of the software or documentation, or failure to comply with the the following restrictions, will cause automatically the locking of the licence.

COMPATIBILITY:

MasterChef is certified for the following Operating System: Windows Professional (Win XP, Windows Vista, Windows 7).

DISTRIBUTION:

After payment confirmation, Render Image S.r.l. will send to the user the USB Hardware Lock Key and the MasterChef DVD-Rom for the installation. Render Image S.r.l. will send to the user the MasterChef license and the commercial invoice by express courier, within a week after the payment.

AUTHORIZATIONS:

Render Image S.r.l will distribute the required library after the confirmation of the producer, who is the real owner. If the manufacturer doesn't accept the request, the user will be informed about the reason of its choice.

LIBRARIES AND DATABASE:

The installation of the producer's archives (pricelist and libraries) is subordinated to the approval of each producer; all data and information are producer's property. The use of archives is forbidden outside MasterChef without the authorization of each manufacturer. All mistakes or lacks have to be attributed to the producer and not to Render Image S.r.l.

FAULT RESULTS:

All mistakes or lacks in projects and offers created by MasterChef are under the responsibility of the user and Render Image S.r.l. can't be held responsible for them.

TECHNICAL ASSISTANCE:

The contract of technical support is valid for the period indicated in this offer. It regards assistance by telephone, e-mail, faq and remote connection about functioning problems of the software (not how to use it). After this period the contract will be renewed only after user request.

LICENCE USE:

One MasterChef licence can not be used by more than one user in the same time. MasterChef cannot be installed into a server and started by client PC. The MasterChef license cannot be given or sold to third parties.

INSTALLATION:

MasterChef has an automatic installation set-up. It is necessary, to install the software, to ask for the installation code to Render Image Srl by e-mail or fax. Every PC in which the user want to install MasterChef needs a different installation code. It is not possible to use the same installation code in more than one PC. MasterChef requires administrator privileges for installation and upgrade. The installation of the software made by Render Image operator is an additional service under payment.

ADDITIONAL SERVICES:

Render Image S.r.l. sells additional services, like personalized print report, installation and exportation of data which are not included in the total amount of this offer. All these services are under payment.

PAYMENT:

In case of missing or not completed payment by the customer, Render Image S.r.l. has the right to lock the license and the supply of the services. The USB hardware lock license key and the software key will be delivered once the completed payment has been received.
